About Wikimedia Chapter:

Wikimedia Chapter is a not for profit Society registered on 3 Jan 2011 with Office of Registrar of Societies, Bangalore Urban District with the objective of educating Indian public about availability and use of free and open educational content and build capacity to access and contribute to such resources in various Indian languages. It has over 64 members who are passionate about Wikipedia and sister projects from all over India and representing several Indian languages. Wikimedia Chapter is an autonomous entity and works in close coordination with Wikimedia Foundation.
